

Dear _____,

Hello, friend. This is a letter from a mystery animal. Do you know who I am?

I am a very big animal! I live on the grasslands and in the jungles of Africa.

I can catch and eat prey much larger than myself. I use the surprise tactic and ambush my prey. Usually, the female does the hunting. I have claws and sharp teeth.

Watch out! I am big, fierce, and sneaky. Can you guess who I am?

Bye!

Leo
