

You and the Museum

Grassland Animals

Post Visit Activities

Kindergarten – 5th grade

Activity #1 – Present a summary of your visit to another class. Include what you saw and did as well as new things that you learned about the animals (habits, needs, etc.).

Activity #2 – Draw a picture of your favorite museum animal. Write at least one sentence telling a fact about the animal.

Activity #3 – Design a poster or television ad to advertise the Lewis County Museum of Natural History.
