Post Activity Answers

1. \$39.000 – Congress originally approved \$2,500
2. Corps of Discovery – There were 33 permanent members of the expedition.
3. 1804 – Lewis began gathering supplies for the trip on July 5, 1803 the day after the Louisiana Purchase was announced.
4. Shoshone
5. Jefferson, Gallatin, Madison – Chosen in honor of President Jefferson, Albert Gallatin (Secretary of Treasury), and James Madison (Secretary of State).
6. To look for gold – Lewis and Clark had detailed notes on at least 120 mammals, birds, reptiles and fish and at least 180 plant species.
7. Newfoundland
8. Smallpox – Many Native Americans had lost their lives to this disease.
9. Coyote – They called it a prairie wolf in their expedition notes.
10. \$15 million – The US got 820,000 square miles. This averaged out to 3 cents an acre.

Lewis and Clark Return

On September 23, 1806, the Lewis and Clark Expedition comes to an end when they arrive at St. Louis, Missouri. It took a little over two years, but they returned with notes, samples and maps that they created.
